## SALE AT THE FARM

Eight miles north of Brampton, 1st Line east of

No. 10 Highway, near Victoria

# An Opportunity . . .

When one surveys the records of the breed it is revealed that only about once in every ten years is there a truly great herd of cattle dispersed. When such a sale is staged, astute cattlemen of the breed attend and secure some of the offering because it is at such dispersals only that cattle of proven breeding ability may be purchased.

We feel that our herd has reached a high point in its productivity of top ranking Shorthorns. We take not a little pride in pointing out that our animals have won top awards in recent years at the C.N.E., Toronto, the Royal Winter Fair, the Western Fair, London, Ont., and at Canada's top Regional Show, Erin, Ont. Similarly our sale cattle have topped or have been in the top brackets at leading sales in Eastern Canada.

Conditions have developed which make it imperative that we disperse the herd. Less than 12 months ago we had no such ideas and we purchased at \$5,000. the outstanding imported-in-dam bull Aberfeldy Prince to carry on in our herd after Uppermill Forbes (imp). The latter a bull which has left his mark not alone in our own herd but in a great number of herds which have secured his progeny in recent years.

We know that we had a good herd from the start and we can say without boast that we also know that our herd has grown better year by year by the use of good bulls and the occasional addition of females of superior breeding and conformation. It is worth while pointing out our cows are of the ideal type and superb character. They have been producing and will continue to produce calves that will be profitable to those herd owners who secure them.

Breeders should realize the good form and quality of our herd; the attractive heads, ability to provide large quantities of milk for the offspring. The bulls offered, we feel, present an opportunity of securing herd bulls that will work improvement in the best herds anywhere.

Our cattle are of superior bloodlines; top quality, good colour and sound in health.

To all our friends in the Shorthorn industry we announce this dispersion with genuine regret; knowing however that with this sale good will surely result to many who purchase our offering.

MRS. W. J. GARTLEY,  
Inglewood, Ontario.
